| Rates: | | | | | |
| | Class 1 Dry finish | Precision Pointing: Focused on detailed repair. All bugholes over 5 mm are meticulously pointed to create a clean, professional appearance. Ideal for high-visibility architectural surfaces. | 1 sq. ft. | = | \$5.50 Cad |
| | Class 2 Dry finish | Patching & Repair: Comprehensive treatment for structural surfaces. We fill all honeycombs and voids over 25 mm and point all bugholes over 5 mm, ensuring a solid and uniform surface texture. | 1 sq. ft. | = | \$7.50 Cad |
| | Class 3 Dry finish | Full Sacking: A complete surface overhaul. We apply a mortar mix (sacking) over the entire area to eliminate small imperfections, providing a consistent color and smooth texture across the concrete face. | 1 sq. ft. | = | \$9 Cad |
| | Concrete Sealing&Protection | We provide specialized application of linseed oil to seal and protect concrete surfaces against moisture, salt, and freeze-thaw cycles. This treatment penetrates deeply to extend the lifespan of the concrete, offering a durable barrier and a clean, professional finish. | 1 sq. ft. | = | \$2.50 Cad |
| | Grout Pads Pour&Finish | We specialize in the pouring and finishing of high strength grout pads for structural baseplates. Our process ensures a level, void free surface with a smooth, professional finish that guarantees optimal load distribution and structural integrity. | 1 Hr | = | \$50 Cad |
| | Cement finish | We ensure a flawless and durable finish for your concrete surfaces, offering various options to suit your needs. | 1 sq. ft. | = | \$50 Cad |
| | Concrete | We experts in reliable concrete work, including pouring foundations, slabs, abutments, WingWalls and other structures. | 1 Hr | = | \$50 Cad |
| | Form work | We handle all aspects of forming, ensuring accurate and efficient construction of foundations, abutments, WingWalls and other concrete elements. | 1 Hr | = | \$50 Cad |
| | General Carpentry | Our skilled carpenters take care of framing. | 1 Hr | = | \$50 Cad |
| | Framing | We provide strong and reliable framing for your project, using high-quality materials and expert construction techniques. | 1 Hr | = | \$50 Cad |
| | Cleaning | We offer post-construction cleaning service, leaving your space dust-free and ready to work. | 1 Hr | = | \$47 Cad |
